Tee's Music House does not publish its own one source catalog or it would be an extremely large catalog & prices would be changing daily. There are too many different manufacturer & suppliers in the music business each with their own catalog. We deal direct with each cooperative member in quoting the best price regarding their individual requests on the brands specified. Freight: Tee's normally delivers to each school at no charge to the cooperative member; however on special items there could be on additional freight charge added by the manufacturer or supplier.
