Prices in our catalogs do not include shipping costs. By purchasing the student editions with prices f.o.b. shipping point, you will receive the materials at the base price (lowest price offered) plus actual shipping charges. This is generally the least expensive way to purchase our materials. When required to quote a price, which includes prepaid shipping and handling (f.o.b. destination), we automatically add a standard 10% of the price as our national shipping and handling charge.
