Shipping charges \$8 on orders under \$100. No shipping charges on orders over \$100.00. Range Typically 8%-60%. We do not publish a catalog nor set prices. One of the great advantages of ordering with us is that materials may be selected from any type of selection source and not just from a single vendor's catalog. Our service provides two exceptional savings aspects so the savings must be expressed as a range rather than a specific percentage.
