For Processed books, 1st shipment within 30 days ARO. Our customary pricing procedure for titles acquired at standard discount involves reducing the publisher's current list price by 30% and adding a prebinding charge. Short discount title prices are reduced by 10% instead of 30%. Discount will remain constant through August 31, 2007, but we do reserve the right to pass along increases in publisher list prices received by us prior to your invoice. All prices are based on payment of invoices within 30 days. If payment consistently extends beyond our terms, discounts may be adjusted to compensate for extended credit. Our processed books that are marked in any way can be returned only if there is an imperfection in the binding, processing, or printing. BTSB provide only those titles listed in our catalogs. We pay shipping charges on all shipments within the continental United States. No subcontractors will be used for any aspect of this contract.

Prices are based on our current Rigby, Savon & Steck-Vaughn catalogs. Prices will be those listed in the catalog that is in effect at the time you place your order. Our catalog price dates are valid from Oct through Sept of each year. Remember that catalog prices already reflect all discounts. No additional discount is to be taken. Teacher's materials are provided free of charge based on the number of student editions of the same title purchase. However, you must request free teacher's materials on the purchase order or you will be charged current prices for them. Here is the schedule: 15-29 = 1; 30-60=2; 61-85 = 3; 86-100 : 4; 101-125=5. At quantities greater than 125, free copies of teacher's materials are available at a 1:25 ratio. Check the catalog for special shipping rates or software. S & H chgs are not included in catalog pricing. Shipping chgs will be prepaid & added to your invoice as a separate item. However, if delivery chgs are to be included with each unit price, you must request FOB destination. In order to calculate expected shipping chgs, add 8% to indiv. prices. If you do not request FOB destination, add 9% to the subtotal; this chg will show as a separate item.
