A disc schedule defines the % off local list pricing that the customer will receive. In general, these disc's are established on a regional basis & are set forth in Dell's Volume Purchase Agreement (VPA). Fixed configuration pricing is managed by your Acct Team & is available to those eligible customers purchasing lrg quantities of standard (fixed) configurations. Benefits to customers include aggregate volume pricing, lower total acquisition costs, & a consistent methodology enabling faster reponse to pricing requests. All warranties are in accordance w/Dell's warranty at www.dell.com/warranty. Payment terms Net 30 days. Dell publishes a single Retail Price List, as well as discounted price lists for each sales channel, which includes the Corporate, Fed, State & Local Government, & Education sectors. Retail price changes take effect immediately, to allow immediate benefit of new product, price drops & changes. This Retail Price List is not available for paper distribution due to the volume & frequency of changes. Dell is able to maintain an on-line state store or Premier Page allowing end-users to configure systems at the proposed discounted pricing.
