Education-For complete, up-to-the-minute information about our Apple-branded and third-party product offerings, please visit the online Apple Store at www.apple.com/education/store. Apple's Education Price Lists reflect Apple's standard Education Institution discount. Since Apple's Education pricing is already discounted from Apple's retail price levels, no additional percentage discount is offered. Percentage of discount can vary from product to product. Apple agrees to furnish products in accordance with the terms and conditions of the existing agreement between Apple and the Region III ESC, Texas. The terms and conditions of the existing agreement shall supersede any terms and conditions set forth in ITB No. 06-025-06. All other terms and conditions shall have no force or effect. Apple's response to ITB No. 06-025-06 is valid for 30 days fro the date of submission. Please note that all products sold by Apple are subject to availability. Apple makes every effort to deliver orders in a timely manner, but cannot be held liable for or guarantee delivery dates.

A disc schedule defines the % off local list pricing that the customer will receive. In general, these disc's are established on a regional basis & are set forth in Dell's Volume Purchase Agreement (VPA). Fixed configuration pricing is managed by your Acct Team & is available to those eligible customers purchasing lrg quantities of standard (fixed) configurations. Benefits to customers include aggregate volume pricing, lower total acquisition costs, & a consistent methodology enabling faster reponse to pricing requests. All warranties are in accordance w/Dell's warranty at www.dell.com/warranty. Payment terms Net 30 days. Dell publishes a single Retail Price List, as well as discounted price lists for each sales channel, which includes the Corporate, Fed, State & Local Government, & Education sectors. Retail price changes take effect immediately, to allow immediate benefit of new product, price drops & changes. This Retail Price List is not available for paper distribution due to the volume & frequency of changes. Dell is able to maintain an on-line state store or Premier Page allowing end-users to configure systems at the proposed discounted pricing.
