Roadmap from Math Benchmark to STAAR/EOC

This 3-step service connects a dedicated R3 math specialist to your math team. Together, we will develop a detailed instructional map from benchmark testing through to the STAAR/EOC tests, including a plan that strategically addresses all performance levels.

STEP 1: WHAT INSTRUCTIONAL ADJUSTMENTS ARE NEEDED BASED ON BENCHMARK DATA? R3 will provide one 6-hour PD on-site with math team to develop roadmap for instruction from benchmarks to STAAR/EOC blitz.

STEP 2: IS THE PLAN WORKING? R3 will provide two 1-hour virtual follow-up meetings to provide guidance, debrief implementation, and suggest detours to address areas of concern.

STEP 3: 10-DAY STAAR/EOC BLITZ R3 will provide one 6-hour session on-site with math team to develop a 10-day STAAR/EOC review, complete with grade-specific activities and resources.

COST		
\$1,800 (10% Discount for Full Package)		
\$850 - Step 1 Only	\$1,000 - Step 1 & 2 only	\$1,000 - Step 3 only

Creating Workstations For Math STAAR/EOC Review

A BEGINNER'S GUIDE TO MATH STAAR/EOC.

Engage in all components of the math STAAR/EOC, including griddables, STAAR resources, understanding the performance levels, allowable resources for all students, accessibility, accommodations AND MORE!

CREATING WORKSTATIONS FOR STAAR REVIEW

Multiple Sessions
Are Available Throughout February
- Contact Us For Details -

Student-centered workstations built around specific grade-level TEKS that have historically proven challenging for students. Participants will create one set of 8 stations and will receive a digital license to one volume (per session). Activities are intended to enrich Tier 1 instruction at the rigor outlined by the TEKS. Stations materials are included with these sessions!.

STUDENT STAAR REVIEWS

SPRING, 2021

WHAT IS A STAAR REVIEW?

Teachers have worked hard all year preparing students for STAAR - let Region 3 Academic Specialists help teachers and students cross the finish line with confidence!

STAAR reviews are created with **STUDENT ENGAGEMENT** in mind as we **EMPOWER** students to be the best they can be on the upcoming STAAR assessments.
