

ACCOUNTABILITY FOR LEADERS

Session Led By
JOHN FESSENDEN

School leaders will face more questions than ever about assessment and accountability in the 2020-2021 school year. Accountability for Leaders is a virtual learning session that is designed to provide a broad overview of the data measures that are included in the A-F Accountability system.

10.14.20

8:30-11:30AM
SESSION #306081
\$175 PER PERSON

WHAT YOU WILL LEARN:

- Understand the data measures included in the A-F Accountability system
- Connect accountability data measures to instruction - to the benefit of teachers and students
- Any updates on 2020-21 accountability as of the date of the session

REGION 3
