## GENERAL SESSION - 8:30-9:45

### KEYNOTE - ALLAN PRATT

Dr. Pratt, the Executive Director of the National Rural Education Association will energize our morning by discussing the value and impact of our rural schools across America. Dr. Pratt will also provide an update on rural education policies developing on a national level that could impact our local schools.

## NEW BOARD MEMBER TRACK - 10:00 - 11:45

### ORIENTATION TO THE TEXAS EDUCATION CODE

FOR ALL NEWLY ELECTED SCHOOL BOARD MEMBERS

This session will help new school board members understand their roles and responsibilities, to identify key resources, and help school board members make informed decisions according to the TEC.

**Tony Williams and Laura Ratliff, ESC3**

## BREAKOUT I - 10:00 - 10:45 (select one)

### NAVIGATING STAFF CHALLENGES

HR departments must strategically manage personnel costs. Successfully accomplishing this task requires collaboration between HR, district and campus leaders, and the school board. This session will help attendees identify the steps for developing an effective and efficient staffing structure to drive the development of a balanced budget, including analysis of staffing patterns, examination of staffing ratios and benchmarks, and impact of instructional practices.

**Jennifer Barton, TASB**

### BOARD PRESIDENT ROUND TABLE

Join past board president, Missy Klimitchek, for a round table discussion centered on best practices for school board presidents.

**Missy Klimitchek, ESC3**

### LEGAL UPDATE/HOT TOPICS

### WHEN EFFORT IS DISCRETIONARY

Have you ever left a place and really felt served? Have you ever left a place and said to yourself, "They have a customer for life?" What caused this? We are going to explore why employees offer effort that is discretionary.

**Ty Duncan, MindPlay Education**

### LEGAL UPDATE

**Powell Law Group**

### SCHOOL FINANCE FOR SCHOOL BOARDS

*Repeat from Session II.*

**Leo Lopez, TEA**

### KNOW YOUR AUDIENCE

Teachers, community members, fellow board members - as a trustee, you must communicate with people of all ages. When preparing for and presenting to adults, there are many factors to consider. Not only do adult brains work differently, depending on the age of the group, they prefer different modes of presentation. We will scratch the surface of brain science and generational thinking in this interactive workshop.

**Molly Kresta, ESC3**
