Net3: Texas OnCourse – Spring Pilot Program Opportunity

Presented by: June Giddings, Texas OnCourse

NET 3 Session # 124927

1:00 AM – 3:00 PM

April 5, 2017

NO REGISTRATION FEE!

All Middle School & High School Counselors! June Giddings from Texas OnCourse will present information about Texas OnCourse and will inform districts how to participate in one of the spring 2017 pilot opportunities. This will afford counselors, CTE teachers and specialists, district and campus administrators and other community partners the opportunity to participate in the pilot to shape the context and interface with the anticipated launch of Texas OnCourse, an online training and information site for college and career readiness and preparation mandated by HB 18. Participants in the pilot process will be eligible to receive stipends for their participation. Join us to learn more about how YOU can participate!
