

LEADING LEARNING

ESC 3 and lead4ward are joining together to provide high-quality professional development to all school district leaders and teachers.

DATE / WORKSHOP #	WORKSHOP DESCRIPTION	AUDIENCE / COST
Aug. 30, 2016	Accountability 2016 – Now What? John Fessenden	Leaders <i>No charge</i>
Sept. 29, 2016 #105603	lead4ward 101 New to lead4ward? Come join us for a day of fantastic fun and amazing learning as we help you launch your lead4ward work! You will learn how to use the student-centered, teacher-friendly tools, resources, and strategies from lead4ward to make learning meaningful and engaging.	Teachers - \$150
Oct. 4, 2016 #105604	Planning Instruction Planning instruction is like planning a trip! We must know our destination , the exciting events we plan to experience , the amazing visuals we will use to guide our journey, the lingo of the land, and the souvenirs we'll bring home. Come join us in our journey to plan instruction where teachers have easy-to-use planning routines and kids are involved so they will experience success in learning and on high-stakes assessments. You will learn processes and strategies to move quickly into planning instruction that is engaging, meaningful, and motivating.	PLC Leaders & Teachers - \$175
Oct. 17, 2016 Region 3 Only	Special Education CSI It is more important than ever for special education teachers and instructional leaders to connect their understanding of the rigorous learning standards with effective, specially designed instruction in order to prepare students with disabilities for success in the next grade level and, ultimately, life after high school.	Special Ed Leaders Special Ed Teachers <i>No charge</i>
Nov. 1, 2016 #105605	Leading Intentional Intervention During Leading Intentional Intervention, campus/district leaders and teacher leaders will work on how to leverage local assessment and classroom evidence and/or STAAR data to strategically plan for intervention that supports all students.	Leaders - \$175
Jan. 17, 2017 #105608	Rockin' Review for Leaders Are you ready to energize your teachers and create systems of support for review? This session will focus on how you can motivate teachers and students to engage with content that they may have struggled with earlier in the year. We will explore NEW strategies and tools, deepen understanding of lead4ward resources in review, and learn how to truly implement the planning guide for planning effective instruction that focuses on kids.	Leaders - \$175
Feb. 1, 2017 #105609	Rockin' Review: Math Join us to learn how to: <ul style="list-style-type: none"> • Create purposeful plans for review (daily review and STAAR review) • Go from newly introduced concepts to understanding, application, review and transfer • Build confident kids by providing strategies for transferring learning in multiple ways • Vary instructional strategies and classroom activities to make meaningful connections 	Math Teachers (3 - Alg. I) - \$150
