

Discovery Education announced this morning that they will now be providing free access to the full Discovery Education Experience (DEX) digital classroom resource to ALL schools experiencing closure until June 30, 2020 as well as upgrading all accounts for current subscribers to add PLUS content as well. As announced last Thursday, schools not currently subscribed to Discovery Education Experience (Streaming) can request access (see attached for email for instructions), and now ALL ACCOUNTS for schools currently subscribing to DEX (DiscoveryEd Streaming) will also be upgraded to the full PLUS service by tomorrow, March 16, at 6:00pm. Please see email notice below for more information:

Discovery Education is here to help in any way we can as you are working hard to support your communities. Our first step is to activate the full Discovery Education Experience with *thousands of grab and go lesson plans* for your educators to use to support students with virtual learning. These additional resources will be active on all of your current districts' accounts by **Tuesday, March 17<sup>th</sup> at 6pm through 6/30/2020** and can be found [here](#).

**\*\*Make sure you are logged into Discovery Education before clicking the link\*\***

**\*\*\*For districts without current access, see the attached email\*\*\***

Please see below for **additional resources** you can use and share to support virtual learning for educators amid the many school closings currently being announced.

**Our teams at Discovery Education are committed to supporting you with:**

#### **Access for Students**

- Leverage your students' accounts for 24/7 access from any device. Not sure how students and teachers access your Discovery Education resources from home? Contact our support team or [bulk upload your students today](#).
- Explore How Do You DE?, Virtual Field Trips, Learning Adventures, and more directly from the student landing page for self-directed learning experiences. Explore ideas for [Student Exploration](#) now.

#### **Support for Educators & Educators**

- Check out and share [5 Ways Digital Content Can Support Virtual Learning](#) – concrete ideas and strategies for supporting digital teaching and learning. Join Discovery Education for our 5 Ways to Support Virtual Learning webinar on March 18 at 7:00 PM ET. [Register today](#).
- Join an upcoming Discovery Education Virtual Professional Learning opportunity. Check the [Events Calendar](#) regularly for updated offerings.
- Explore on-demand learning opportunities within Discovery Education's **step-by-step guides, interactive courses, and DEN Channel**.
