Live ZOOM Meeting at
REGION 3

Ms. Harmon is co-author with Dr. Robert J. Marzano of Practicing Skills, Strategies, & Processes: Classroom Techniques to Help Students Develop Proficiency. She has presented for Bureau of Education and Research (BER) and Learning Sciences International Marzano Center.

Learning how to read to learn requires the reader to intentionally select skills and strategies in order to think within, beyond, and about factual texts. In this three part series, participants will deepen content knowledge and examine the TEKS SE's for information texts.

- Dec. 14** **Day 1** Learn how teachers and readers plan for comprehension
- Feb. 15** **Day 2** Learn how to teach students to summarize, make inferences, and process Informational Texts
- Mar. 27** **Day 3** Learn strategies for teaching students to go beyond the words on the page and think critically about texts
