Advancing Education Leadership - AEL

The goal of the AEL training is to provide practical and relevant examples from the field with a balance of research to allow you to engage in the different decisions and challenges faced by the 21st-century school leader and teacher. The learning experience is designed for novice and seasoned leaders to learn together and from each other throughout the three days so that all will gain a deeper understanding of leadership skills and leave with practical steps and tools they can quickly transfer to the real world.

AEL is a required course prior to becoming a T-TESS appraiser/administrator.

Training dates to be determined for Summer 2018 Cost is \$400
